SUBJECT: DC Post Sponsorship Program

We are pleased to launch our new Sponsorship Program in support of the DC Post's activities.

The purpose of the Sponsorship Program is to provide opportunities for our member firms for enhanced visibility and networking exposure within the SAME DC Post community. These opportunities for visibility will be offered through firm exposure on the DC Post's website, sponsoring monthly events or periodic workshops and special events, and presentations to our members. Each sponsoring firm's financial contribution will support the Post's Scholarship Fund, Young Members' Activities and Leadership and Mentoring Activities.

Three levels of sponsorship are offered (Platinum, Gold and Silver), each with distinct opportunities for visibility and recognition as shown in the table below.
